J Bar S Trailriding Campground is located on the South Shore of the Osage Arm of Truman Lake with beautiful trails meandering along the lake shore and through the woods on Corps ground. Deer, turkey, beaver, and, of course, heron are plentiful. Fishing and swimming are available nearby.

We are unique in that we are open throughout the Spring, Summer and Fall at any time – just let us know that you are coming, please!

Our goal is to make this an affordable option for a weekend or week long vacation.

We have stalls and electric pens for rent, clean showers and restrooms, and full RV-type hookups.

Food service is in the developmental stage. There will be something available for snacks/lite meals. Additional menu items may be added as the season progresses.

Holiday “special meal deals” may be forthcoming – call for information on these deals as the Holiday weekends approach.
