

**There's a Cowboy Christmas brewin' –
bringing folks from miles around
To a Cowboy style fandango
where good times will abound**

**There'll be some cowboy poets
who'll rhyme a tale or two
And several cowboy crafters
that will sell or trade with you.**

**A good old fashion country-dance
with waltzes, jigs and reels
Will keep us all a steppin'
in a manner so genteel**

**So Ladies wear your long skirts -
break out your nicest shawl
Cuz cowboys wearin wild rags
Will dazzle one and all**

**But more important - we'll take some time
to celebrate Christ's birth
And remember when the King of Kings
walked here upon the earth.**
