Curly, Charley & Belinda

Curly & Belinda

Belinda Gail and Curly Musgrave are two of the finest Western Music entertainers and they certainly didn't disappoint riders and guest with their outstanding performances during this trail ride event. They entertained at the noon and evening programs as well as providing the inspirational music at "Cowboy Church" on Sunday morning. Belinda has earned awards presented by the Western Music Association as 'Female Performer of the Year,' plus 'Female Vocalist of the Year' from the Academy of Western Artists. She is truly "America's Western Sweetheart." Performing together they earned the coveted Western Music Association's award, 'Duo of the Year' in 2006.

Curly is recognized as "One of the most innovative and influential singer/songwriters in Western Music today" along with his talent, personality and creditability of being a real life cowboy. It was a great time and pleasure to visit with these charismatic and gifted individuals who contributed so much by bringing a 'Western Flavor' and sense of history to this event in the Flint Hills of Kansas.

Personal note (12/28/09):

Curly will most certainly be remembered in our hearts as well as for his deeds. The world knew he was here as he left his brand on Western Music and the 'Cowboy Way.' He was a role model for all of us to follow when we step up and present our God given talents for others to hear as we strive to keep our Western Heritage and Spirit alive for future generations. He enriched the lives of so many of us and by doing so, I know he enriched his own and that's a pretty good way to have lived.
