

OK friends...We have a new venture at the radio station, it's going to be super cool and full of information for Cowgirls, Cowboys and Equine enthusiasts on [www.myMoinfo.com](http://www.myMoinfo.com)!

But I need some help from you all to get it rolling, we are going to be featuring a "BRAG Board" ....so to get it rolling I need pictures and brags! If you or someone you know has done something little or big that deserves a brag..send it to me asap! The more we get, the cooler the board!

Please forward this e-mail on to anyone you know who has to do with horses.....the more information on this site, the better! You'll be able to register to win cool stuff, learn more about the equine world, and link to lots of cool websites all in one spot!

Thanks for the help!
