

Stolen Mare in Hays, KS

RMH Lady Diana is a 6 year old bay & white tobiano mare. She is a half-Arabian and half-Saddle bred with about 50/50 color. She just had her first foal, a beautiful bay and white filly, on May 19th. Last night someone cut the gate and stole her away from her 4 day old filly. Lady Diana was in the pasture (in a pen) with her baby and several other mares with foals (in Hays Kansas). The gate was cut and Lady Diana is the only one that was stolen. There are photos of Lady Diana below.

The Sheriff has been called and has the information on this case - contact information for Sheriff Dept below. There was a "potential buyer" that had been out to the ranch in Hays KS to look at horses just a few days ago, and he specifically asked about this mare, however he was told that she was not offered for sale. He mentioned that he worked in a feedlot somewhere close to Hays, but that is all the information that we currently have about him.

Please call Mary Sturdy at 785-623-0025 or Rick Sturdy at 785-650-7396 if you have any information at all. Also, if you are close to Hays KS and have a mare that would nurse a baby without her momma please let us know!
